I PROMISE to **NOT** Text and Drive...because it takes my eyes, mind and hands off the road, is illegal in Georgia, and can make me 23 times more likely to crash.

I PROMISE to always wear a seatbelt and make all of my passengers wear a seatbelt...because 60 percent of all Georgia drivers killed in car crashes were not wearing seatbelts.

I PROMISE to not use a cell phone while I drive...because talking on the cell phone has been shown to be just as distracting as texting and driving, and it's illegal for drivers under 18.

I PROMISE to not drink alcohol or use any substance that might impair my ability to drive, or to ride with a driver who is impaired or driving distracted.

I PROMISE to stay within the speed limit and drive safely...because illegal or unsafe speed is the second greatest factor in fatal crashes in Georgia.

I PROMISE to obey all traffic lights, stop signs, other street signs and road markings.

AND FOR TEENS:

UNTIL I AM 18, I PROMISE to not drive with more than one passenger under 21 unless he/she is an immediate family member...because two or more passengers more than triples my risk of a fatal crash.

I PROMISE to not drive between 12 a.m. and 5 a.m. until I am over 18...because it's illegal in Georgia, and because driving at night and early morning doubles my risk of being involved in a fatal crash.
