

Plan a Tailgate

So much goes into planning the perfect tailgate.
Please don't overlook the most important step!

They'll Live to Remember

**Designate a driver
to get everyone
home safely
after the game.**

And don't forget to provide
your guests with a non-
alcoholic drink option, like
this great recipe below!

Peachtree Cooler (Non-Alcoholic)

In a 12-oz. glass, muddle
half of a fresh peeled
Georgia peach with 2-3
mint leaves; 2 Tbsp.
natural sugar; and 2 Tbsp.
orange juice. Fill glass with
ice, top with seltzer and
stir gently to mix. Garnish
with mint leaves and
peach slices.

*A delicious and safe drink
for your designated driver!*

*Please don't let friends
drink and drive!*
