Information and Tips to Protect You and Your Family

Holiday Road Trip Checklist*

Holidays often mean extended road trips - visiting out of town relatives for example, or perhaps taking a much-needed family vacation. In the rush to get ready for a big trip, it's so easy to overlook basic safety precautions. That's why we created this checklist of important safety reminders from the Car Care Council.

Check Vehicle Fluids

- | | |
|---|--|
| <input type="checkbox"/> ENGINE OIL _____ | <input type="checkbox"/> TRANSMISSION FLUIDS _____ |
| <input type="checkbox"/> POWER STEERING _____ | <input type="checkbox"/> WINDSHIELD WASHER SOLVENT _____ |
| <input type="checkbox"/> BRAKE FLUIDS _____ | <input type="checkbox"/> ENGINE COOLANT _____ |

Check Hoses and Belts— to make sure none are cracked, brittle, frayed or loose.

- | | |
|--------------------------------------|--------------------------------------|
| <input type="checkbox"/> HOSES _____ | <input type="checkbox"/> BELTS _____ |
|--------------------------------------|--------------------------------------|

Check Tires— including the spare. Look for bulges, bald spots or uneven wear on tires. Those could signal the need for replacement, and/or wheel alignment.

- | | |
|---|---------------------------------------|
| <input type="checkbox"/> AIR PRESSURE _____ | <input type="checkbox"/> TREADS _____ |
|---|---------------------------------------|

** Please Note: If you are uncertain about performing these checks on your own, a local repair shop can assist you. You can also refer to the full guide from the Car Care Council at www.carcare.org.*
